CYPRUS PUBLIC TRANSPORT PRE-PROFESSIONAL SUMMER INTERNSHIP IN CYPRUS FOR COMMERCIAL

Description

Paid internship program in Cyprus by which university students will perform assigned functions of the Commercial department in our company in Cyprus. The plan provides the knowledge and tools necessary for university student to begin their working experience.

Requirements

To qualify for these internships, the candidate must:
• Be a student of a university degree or have recently finished it.
• Have an upper-intermediate/advanced level of English

Key Duties and Responsibilities

Successful candidates joining the Commercial department will have different duties and responsibilities including, but not limited to:
• Support the development of new products in line with the Company's business strategy.
• Assist with the lifecycle of the product from ideation to market.
• Assist in the coordination and planning of events.
• Draft technical briefs detailing the product requirements which briefs will be used by the IT suppliers.
• Assist in the relations with all suppliers carrying out services for the team.
• Assist in preparing reports for the department.
• Support in the coordination of the different sales sources.
• Provide initiatives for internal and external communications.

Development of practices

Starting date: between 01/06/2023 – 31/08/2023 according to the participants' availability.

The internships will last between one to three months during the summer months, with days of 40 hours per week.
Those selected will have a mentor who will follow their evolution. In this way, the student will be able to improve their communicative and intercultural skills, acquire non-technical skills that are appreciated in the labor market and develop a more entrepreneurial mentality.

Financial endowment

Those who participate in the program will have as funding:

• Free public transport

• Monthly Salary 300€

Those who wish to participate must send their CV to the email **hr@publictransport.com.cy** to be considered for the program. Applications close on 30/05/2023.
